I don't think it came in with the 2008 BAT submittal that I worked on, that was only for changes to chapter 3745-31, not chapter 3745-15, so our incompleteness letter wouldn't have covered it.
The attachment shows it coming in in 1999. I don't know what happened to that 1999 submittal.

Guys,

Can we see what happened to this submittal?

Can you please have Chris and Doug follow up and see if they can figure out what happened to this submittal? It looks like it was packaged with BAT so maybe that incompleteness letter covered it.

Rett, John, and Kurt -

Thank you for your time on Tuesday. We appreciated the agency's thoughtful feedback on our request that EPA correct the Ohio SIP by removing the public nuisance provision. We have additional information we plan to provide concerning several of the points you made at the meeting and will get those to you next week.

In the meantime, attached is information concerning OEPA's 1999 request that EPA remove the nuisance rule from the SIP. Please let me know if you have any questions.

Thanks,
LeAnn
